... in other words, make music part of your life. That is the motto we have adopted this year.

Music is all around us these days, bringing more intense and prevalent musical stimuli than those of any other age. But do we relate to it passively or actively? Are we merely consumers or makers of music as well?

We at EMB know that making music brings joy. That joy is multiplied and shared by playing to others. What's more, making music develops individual abilities and values, such as concentration, openness, sensitivity, collaboration, and concern for others.

Our aim is to allow as many children, young people, and adults as possible to experience the joy and value of music. This prompted us to renew our series for young musicians entitled *Music for Beginners* which has been popular for decades, and to launch a new series this year: *Bartók Transcriptions for Music Students*. The purpose of the album *Let's Take the Stage!* is to encourage and assist beginner violinists to perform for the first time before an audience. Additionally, the new volume of the *Ad libitum Family Edition* offers a wide variety of material for playing music at home with the family. In line with EMB tradition, two excellent pieces have been added in the last year to the *Concert Band Series* (*Concertino* by Árpád Balázs and *Ungaresca* by István Györfly) and one to the repertoire for junior string orchestras (*Chaconne* by Miklós Kocsár). Another cause close to our hearts is choral singing; we have published another twenty new Hungarian choral works over the last year.

This catalogue contains the publications of EMB up to March 2015. The works are arranged by scoring, and within that by alphabetical order of composers. However the methods and studies for each instrument are catalogued separately before the alphabetical listing begins. Volumes involving several composers appear after the alphabetical listing under the heading Collections. The series titles are placed at the end of the catalogue where there is also an index for enhanced guidance.

We trust this catalogue will be a useful guide for matching our publications with your music making needs.

The EMB team

... oder: Mache die Musik zum Teil deines Lebens! Diese Losung haben wir uns in diesem Jahr auf unsere Fahnen geschrieben.

Egal wo wir heutzutage auch sind, überall sind wir von Musik umgeben. Viel intensiver und permanenter als seit Menschengedenken auf unsere Ahnen je zuvor wirken musikalische Reize auf uns ein. Aber was für ein Verhältnis haben wir zur Musik? Ein passives oder ein aktives? Konsumieren wir sie nur oder machen wir auch welche?

Wir bei EMB wissen, dass das Musizieren Freude bereitet. Eine Freude, die sich vervielfacht, wenn wir für andere spielen. Indem wir gute Musik machen, gelangen wir darüber hinaus auch in den Besitz ganz besonderer Fähigkeiten und Werte: Konzentration, Offenheit, Sensibilität, Rücksichtnahme auf andere und Zusammenarbeit.

Mit unseren Publikationen verfolgen wir das Ziel, möglichst vielen Kindern, Jugendlichen und Erwachsenen zu helfen, die Freude am Musizieren und dessen Wert zu erfahren. Deshalb begannen wir im Bereich des Musikunterrichts mit der Neubearbeitung unserer seit Jahrzehnten beliebten Serie *Musik für Anfänger*, und aus demselben Grund brachten wir in diesem Jahr speziell für Musikschrüler eine neue Reihe mit Transkriptionen von Werken Béla Bartóks auf den Weg (*Bartók-Transkriptionen für Musikschrüler*). Mit unserem Album *Rauf aufs Podium!* möchten wir junge Geiger, die noch am Anfang ihrer Ausbildung stehen, zu ihrem ersten Auftritt ermuntern und eine echte Hilfestellung geben. Ein vielseitig verwendbares Material für Kammermusik im Familien- und Freundeskreis zuhause bieten wir mit unserem gerade eben erschienen Band der Serie *Ad libitum Familienedition* an. Getreu unserer Tradition haben wir im zurückliegenden Jahr auch unsere Serie für Blasorchester (*Concert Band Series*) sowie das Repertoire für Jugendstreichorchester um hervorragende Werke bereichert (*Concertino* von Árpád Balázs, *Ungaresca* von István Gyórfy und *Chaconne* von Miklós Kocsár). Unsere Herzensangelegenheit ist das Chorsingen, welches wir im Laufe des vergangenen Jahres mit der Herausgabe von zwanzig neuen ungarischen Chorwerken förderten.

Dieser Katalog beinhaltet unsere bis zum März des Jahres 2015 erschienenen Publikationen und führt die Werke nach ihrer Instrumentierung, und innerhalb dessen in der alphabetischen Reihenfolge ihrer Komponisten auf, wobei die Schulen und Etüden bei jedem Instrument separat vor der alphabetischen Reihenfolge hervorgehoben werden. Sammlungen mit Werken mehrerer Komponisten sind nach der alphabetischen Reihenfolge aufgeführt. Unsere Serien werden darüber hinaus am Ende des Katalogs ebenfalls separat aufgelistet. Ein Namensregister soll der leichteren Orientierung dienen.

Wir sind uns sicher, dass Ihnen der Katalog bei der Auswahl der Ihren Ansprüchen am besten gerecht werdenden Publikationen von Nutzen sein wird.

Ihr EMB-Team

... ou faites une place à la musique dans votre vie ! C'est notre devise en cette année 2015.

De nos jours, la musique est présente partout où nous sommes, nous apportant plus de sensations et d'émotions que quiconque à d'autres époques. Mais quels sont nos rapports avec celle-ci, passifs ou actifs ? Sommes-nous seulement des consommateurs ou aussi des acteurs ?

Chez EMB, nous savons que faire de la musique procure de la joie. Cette joie est décuplée et partagée lorsqu'on joue en public. De plus, jouer de la musique développe des facultés et des valeurs propres telles que la concentration, l'ouverture d'esprit, la sensibilité, l'écoute et l'attention aux autres.

Notre but est de permettre au plus grand nombre d'enfants, d'adolescents et d'adultes, de ressentir le plaisir et l'apport que procure la musique. C'est pourquoi nous avons décidé de rééditer notre collection intitulée *Musique pour les premiers pas*, célèbre depuis des décennies, mais également de publier une nouvelle collection : *Transcriptions des œuvres de Bartók pour les écoliers de musique*. L'album *Montons sur scène!* a pour objectif d'encourager et de guider les violonistes débutants pour leurs premières représentations en public. Le dernier volume de la collection *Ad libitum Musique pour les familles* offre quant à lui une large variété de partitions pour jouer chez soi en famille. L'année passée, conformément à nos traditions, nous avons enrichi notre répertoire pour orchestre d'harmonie (*Concert Band Series*) de deux nouvelles pièces (*Concertino* d'Árpád Balázs, *Ungaresca* d'István Győrfy), mais aussi le répertoire pour orchestres à cordes junior (*Chaconne* de Miklós Kocsár). Afin de soutenir le répertoire pour chorale qui nous est cher, vingt nouvelles œuvres de chœur hongrois ont également été publiées.

Ce catalogue contient les publications de chez EMB parues jusqu'au mois de mars 2015. Les œuvres sont classées par instrumentation, puis par ordre alphabétique des compositeurs. Néanmoins, pour chaque instrument, les méthodes et les études sont toujours présentés en préambule et les recueils concernant plusieurs compositeurs en conclusion sous le titre Collections. A la fin de ce catalogue, vous pourrez retrouver toutes les collections répertoriées séparément, ainsi qu'un index des compositeurs par ordre alphabétique qui devrait vous aider à naviguer plus facilement.

Nous espérons que notre catalogue vous aidera à trouver parmi nos publications les œuvres répondant à vos besoins.
